

## **PixelPals – RACI Chart (MVP)**

RACI Definition:

- R – Responsible: The person who does the work.
- A – Accountable: The person who owns the task and ensures completion.
- C – Consulted: People whose input or expertise is required.
- I – Informed: People who are kept updated on progress or decisions.

| <b>Task / Area</b>                                                 | <b>Responsible<br/>(R)</b> | <b>Accountable<br/>(A)</b> | <b>Consulted (C)</b>  | <b>Informed (I)</b> |
|--------------------------------------------------------------------|----------------------------|----------------------------|-----------------------|---------------------|
